

Seventh International Conference on Prevention of Work-Related Musculoskeletal Disorders

PREMUS 2010

Deadline for submission of abstract: 15 January 2010

The *Scandinavian Journal of Work Environment & Health* is sponsoring a competition for the best paper to be presented at PREMUS (www.premus2010.org) from 29 August–3 September 2010 in Angers, France.

In addition to receiving a cash prize, the winning papers will be published as a theme in the Journal. A few additional authors may also be invited to submit their papers to the Journal for publication. Papers should be in the area of prevention of musculoskeletal disorders and can be original research or systematic reviews. Those interested in participating in the competition are requested to notify the organizers of PREMUS when submitting their abstracts.

Visit www.premus2010.org/premus2010.org/ftp/www/upload/file/PREMUS_conditions.pdf for conditions on the competition.

Abstracts to be considered for the competition must be submitted to PREMUS by 15 January 2010. To submit an abstract, go to www.premus2010.org/submission.html.

Professorship at the National Research Centre for the Working Environment, Denmark, in the area of “Prevention of working environment problems and promotion of mental wellbeing related to new ways of work organization”

NATIONAL RESEARCH CENTRE
FOR THE WORKING ENVIRONMENT

Applications are invited for a new professorship at the National Research Centre for the Working Environment (NRCWE) in the area of “prevention of working environment problems and promotion of mental wellbeing related to new ways of work organization”. The successful candidate will be responsible for further development of a strong multidisciplinary research environment within the field of the NRCWE’s strategic frames.
