Seventh International Conference on Prevention of Work-Related Musculoskeletal Disorders

29 August–3 September 2010, Angers (France)

The *Scandinavian Journal of Work Environment & Health* is sponsoring a competition for the best paper to be presented at PREMUS (www.premus2010.org) from the 29th of August to the 3rd of September 2010 in Angers, France. In addition to receiving a cash prize, the winning papers will be published as a theme in the Journal. A few additional authors may also be invited to submit their papers to the Journal for publication. Papers should be in the area of prevention of musculoskeletal disorders and can be original research or systematic reviews. Those interested in participating in the competition are requested to notify the organizers of PREMUS when submitting their abstracts.

Abstracts to be considered for the competition must be submitted to PREMUS by 15 January 2010.
